Dear Chairman DeFazio and Ranking Member Graves,

I write to request funding for the U.S. 101 / Woodside Interchange Improvement in the legislation to reauthorize federal surface transportation programs. The project sponsor for this project is the City of Redwood City and the project is located at the intersection of U.S. Route 101 and State Route 84 (Woodside Road) in Redwood City, California 94063.

If included in this legislation, the funding will be used to rebuild the interchange at U.S. Route 101 and State Route 84 (Woodside Road). This project is an appropriate use of taxpayer dollars because it will provide important public benefits, including relieving traffic congestion, improving traffic safety, and providing a safe pedestrian and bicycle crossing across Highway 101.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your attention to my important request.

Most gratefully,

Anna G. Eshoo
Member of Congress
